Unpleasant?
Unpleasant meals are bad for digestion.
You're always so loud, Willy.
I...
I'm sorry, Auntie Willy.
You're 29 years old already, Amelia
You should at least mind your table manners!
I never serve anything unpleasant!
I'm not talking about the food.
Alice! Auntie Willy!
It's time for your favorite TV show!
Tick Tick
A miscalculation.
Amelia.
Squeak
Squeak
Tonight's dessert was late
Amelia..

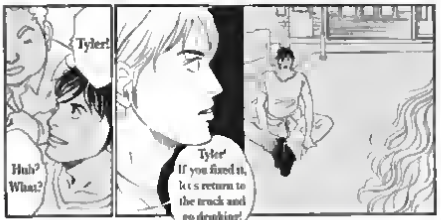
Huh? R-right!
Stop squeaking your plate!
Amelia Anne Beauchamp!

Tyler Dean!
Sorry!



Tyler!
Huh? What?
Tyler! If you fixed it, let's return to the truck and go drinking!

I have another hour and a half before my aunties go to sleep

Don't worry! I'll take care of the rest.
Amelia
Oh, dear me. We'd better go.
Wobble Wobble

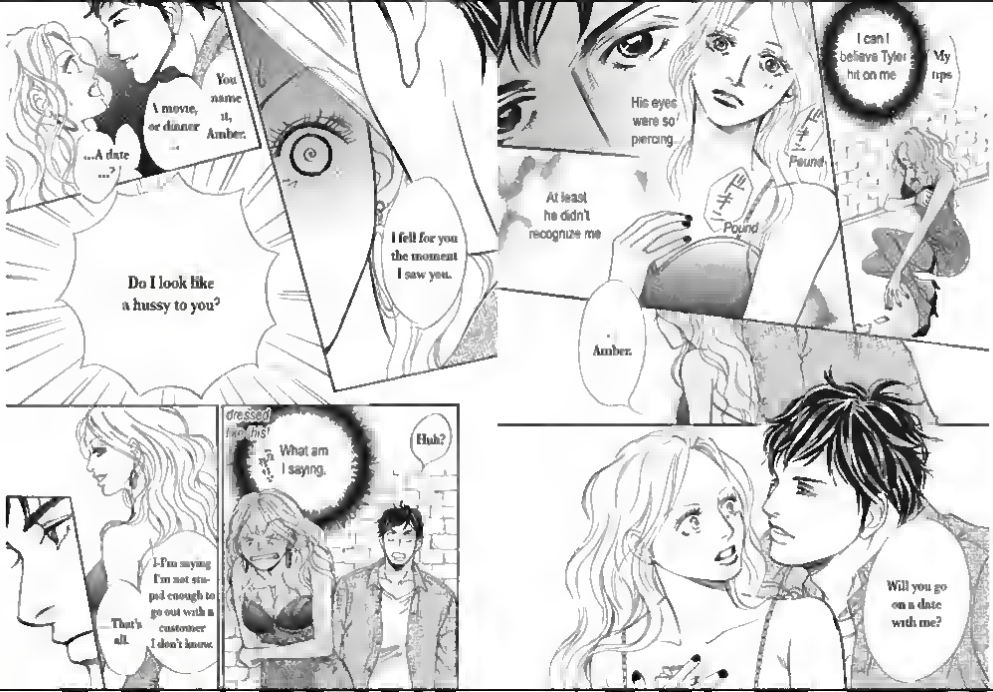
I have to hurry

Kick
Pant Pant
Ah!
Hey, watch where you're..
Trip

Tyler Dean Savage?
He was underneath a car—
I just tripped over Tyler Dean back there.
No worries! You don't have to be in such a rush.
Layleen! I'm sorry I'm late.
Honk Honk
Unlucky.
You ran into the town's most eligible bachelor? Lucky!
She was a superbabe.
Her legs were so long.
Huh?
Did you see her, Seth?
Come on!
You have to sign next year's contract today.
Seth.
You've got women banging your door down, right?
Why don't you get married if you're just going to hallucinate?
What would a girl like that be doing in a country town like this?
Now stop worrying and put on your makeup...
"Amber"!
Tap
Amelia
I mean
Huh? I thought he barely even notices you.
We've known each other for a long time.
What if he recognized me?
I'd die for the chance to see her again.

Wha
What is Tyler doing here?
It's you
S-sorry...
What would you like?
Whistle
This is too good to be true.
Wow.
Your order ..?
Amber! You're looking great today!
I discovered a new me while working at the local bar The Old South
She's gorgeous, good-natured
a cooler me
Coming!
...This is "Amber's" time now
Amber! Take our orders!
Hi, guys!
Have you ordered already?

What a waste, Tyler. You shouldn't have been so stiff.
It's Amber.
What's your name, miss?
We'll have two beers.
Okay.
Did you see her eyes, Seth?
...Not quite blue
Enjoy yourselves, guys.
...and not quite green.
Hey! She'll bring the beers if you just wait.
Sorry, Seth. I have to go.
Flutter
...you!
I want...
Ewa ha ha!
What's with the tired old line, Tyler? That's not your style!
ぷわはは
That's not on the menu.
Sir...



...A date ...?
A movie, or dinner ...
You name it, Amber.
I felt for you the moment I saw you.
Do I look like a hussy to you?
His eyes were so piercing...
Pound
Pound
At least he didn't recognize me
I can't believe Tyler hit on me
My lips
Amber.
Will you go on a date with me?
dressed like this!
What am I saying.
Huh?
I-I'm saying I'm not stupid enough to go out with a customer I don't know.
That's all.

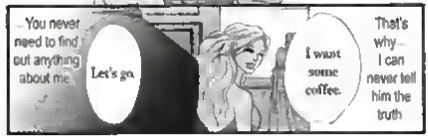
Amber ...
Thanks! I'll be looking forward to it!
Meet me here.
Tomorrow night.
Smile
... All right.
Amber ...
Let's go on a date, Tyler
I have a farm outside the Tulip town limits.
My parents live in Florida and I live alone with my dog, T.J.
Well, Amber
My name is Tyler Dean Savage.
Ah .
Now...
..Feel like you know me better?
Go on a date with me.
Pound
"I fell for you."
With Amber
No It's all right.
What was I thinking ?
He made a date with Amber "

I'm on a date with Tyler.
Look at the dolphins, Tyler...!
It's beautiful!
It must be a dream.
I feel like I'm in a dream!
I've never been on a Savannah River cruise!
I'm glad. I thought it would be too cliche.
This is great!

I can't tell him that I'm Amelia Anne Beauchamp
The real me is a boring libranan at the Tulip town library

My two single aunties raised me with everything they had
You're so thin. Let's get some food in you
Well well Look at you
I lost my parents in an earthquake in Mexico when I was 9 and spent the next 20 years with the Beauchamps.

"A spinster who lives with two old ladies in total seclusion."
Now my reputation in town is...



...You never need to find out anything about me.
Let's go.
I want some coffee.
That's why - I can never tell him the truth

I want to know more about you.
Tyler...
You don't need to know anything about me
Let's go over there.
Amber
Tyler, I...
...I don't like impatient guys.

...I love...
Why won't they fall asleep already?
I'm not the type who betrays the people...
For your information, Tyler...
Amber.
...Neither am I.
...are the kind of people I hate the most
Liars...

I just want to enjoy this time
I want to spend as long as I can with you.
What?
Amber. Can I drive you home?
I thought you don't want me to know where you live.
How rude! You think I'm lying?
What...?
O-of course I am!
Amber, ...are you really single?
Sorry.
I'm getting together with Layleen at the bar

I'm not what I seem
I'm the type of person you hate most
Leaving it here is the right thing to do
THE OLD SOUND
I had fun today.
When can we get together again?
Sorry.
I'm glad we think the same way.
Sorry.
Tyler!
I feel a strong connection with you.
I'm in no rush, Amber
Today was special! We can see each other at the bar from now on.
Amber

Are you all right, Ms. Beauchamp?
Tyler!
ズキン
Jump
Oh, Tyler.

Hmm... Good! You look very lady-like.
Huh? I think she'd look better in pink.
That color suits you, Amelia.
Let's get going.
Pink is for harlots!

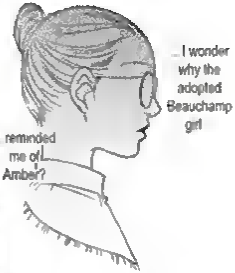
ヨボヨボ
Aww
I left my Bible in the car.
Huh?

Crack
Wait here, Amelia. I'll go get it.
Ship
ズル
Oh!
Auntie Rosie!

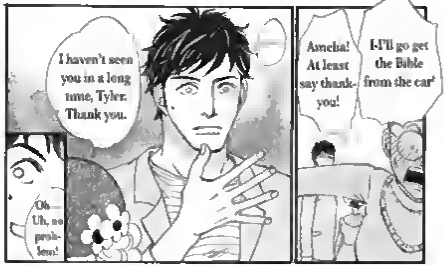
You're not forgetting anything, Auntie Rosie?
I'm fine.
Watch your step.
Oh
ほっ

Amelia!
We're leaving for church. Aren't you ready yet?
Coming!

Her eyes are hidden by those thick glasses.
Her hair color?
Her weight?
Maybe I shouldn't be checking out women during church
Hmm

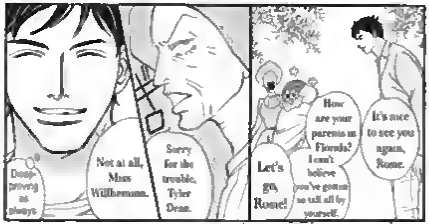


...I wonder why the adopted Beauchamp girl
reminded me of... Amber?



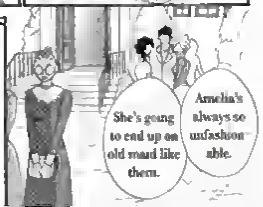
I haven't seen you in a long time, Tyler. Thank you.
Oh... Uh, no problem!
Amelia! At least say thank-you!
I-I'll go get the Bible from the car!

Amelia!
Won't you take me on a drive to Savannah?
Let's go have lunch, Tyler!
I want to go, too!



Deep-proving as always
Not at all, Miss Willhemina.
Sorry for the trouble, Tyler Dear.
Let's go, Rose!
How are your parents in Florida? I can't believe you've gotten so tall all by yourself.
It's nice to see you again, Rose.

...Seems like a waste.



She's going to end up an old maid like them.
Amelia's always so unfashionable.

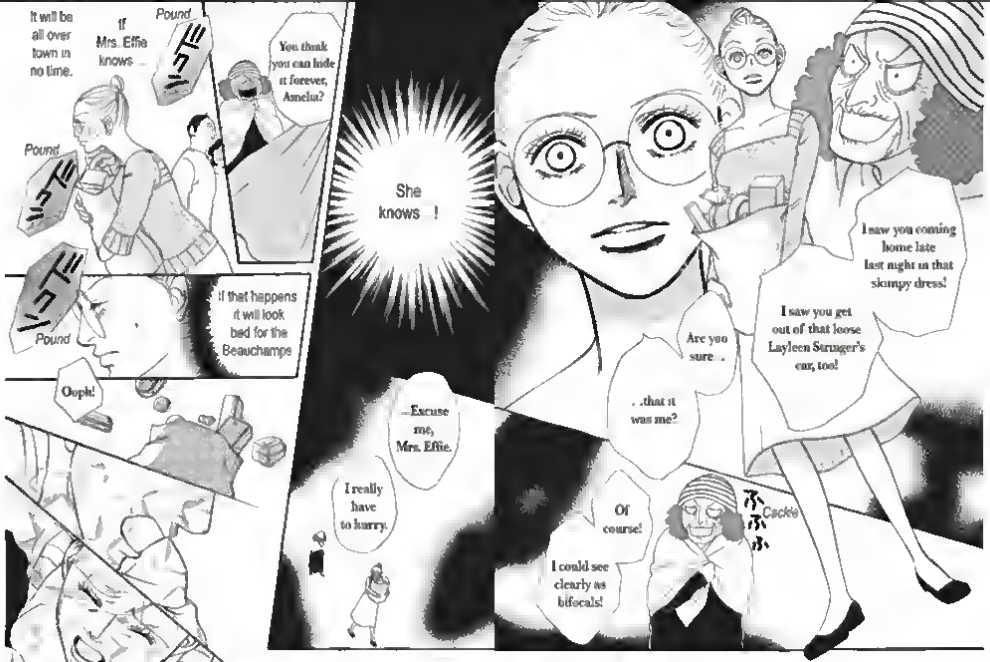
Swish
Squeal
Squeal
I guess she can't help but see me that way

Beauchamp women don't need a man!
That's too harsh, Wally!
You can't trust a man who hangs around those hussies!
I have to accept it.
That's right.
That won't change
Amelia
The real me
can't even get close to him.
Even if he takes me on dates and falls in love with me ...
it's only because of "Amber"
I must need to get laid
Hey!
Don't you think Tyler's gotten even better looking?
Let's go, Tyler!
She's...
actually surprisingly well-proportioned
If she let her hair down, she might
Her legs look pretty long
His shoulders
Pound
His chest
Pound
Everything about him is attractive
Pound
It wasn't just his strength
Made me wish I were a dozen years younger!
Did you see how strong he was, Amelia?
Rosie! Watch your mouth!

After that I'll be finished with "Amber."
I don't get her
Sigh That girl
I'll have the money soon
Will you go out with me?
Hey Amber!
I won't have to think about Tyler anymore.
Not on the menu sir
I can finally relax.
Get it together girl
Sigh
Thanks, Layleen.
...Bye

It doesn't matter
I just have to reach my goal of buying a new car.
He was coming every day after your date.
Maybe you scared him off?
Oh! Is it because Tyler hasn't come by lately?
You seem down, Amber.
Rabble Rabble
. but aren't there more important things to think about?
It seems like you think it'll set you free.
A car, huh?
I took this job in secret from the Beaushamps.
I finish what I start.
I have to do my best.

You're too caring, Amelia.
I don't see why she should care, at her age.
Thank you, Bill.
As always, I left Willy's age off of it.
Here! It's the chocolate plate for the birthday cake.
STAR-MART
Let's sit and have a chat.
I'm glad I ran into you!
Mrs. Effie.
I have to get home to make dinner
It's late
$ 64.77
Hello, Amelia!
I saw you
I'm sorry, I'm in a bit of rush. Next time
She must want to bad-mouth someone.
Hmm?
Is that... Amelia?
What is she doing dressed like a whore?
Smirk
No...
Thanks to you getting out of the house
..I've learned something interesting.
Slam
Shh! It's because of you!
Mmm



It will be all over town in no time.
If Mrs. Effie knows ...
Pound
Pound
Pound
You think you can hide it forever, Amelia?
If that happens it will look bad for the Beauchamps
Oops!
She knows !
...Excuse me, Mrs. Effie.
I really have to hurry.
I saw you coming home late last night in that skimpy dress!
I saw you get out of that loose Layleen Stringer's car, too!
Are you sure . .
. .that it was me?
Of course!
I could see clearly as bifocals!
Cackle

A-Amelia!
You forgot...
I'm sorry. I'm in a hurry. Excuse me!
Tyler!

Fwoosh
Preparations for the harvest and office work kept my hands full.
I've been really busy lately.
I had to go straight from town to work all the time.
Why is he here?
Naturally...
I came to see you, Amber.
What do you want?
Why ?
THE OLD SCHOOL
Rustle
You really aren't going to see him until you quit?
Come in
Oh?
Cheer!
Are you trying to get rid of me, Layleen?
Even if it's to forget about Tyler, take it easy.
Huh?
Yank
You're working so much, you're taking all the tips..
"Amber."

Amber
I want an honest answer
Do you. . have some problem you're hiding?
Prob-lem?
W-what are you talking about, Tyler—?
Amber
I want you to trust me.
I...
missed you.
.. Tyler?
...What are you saying?
I can't believe a guy like you can't take the hint.
You got your date.
Stop expecting anything more
You know what I mean, right?

This is how it should be
For me...
For him...
They smell wonderful.
I guess that I don't have your trust, after all.
It's a shame.
It's your imagination.
...I don't have any problems.
I have to sort it out myself
Amber, I tried hard for us today.
...there's nothing you can do about it.
...but still...
I suppose I do...
Amber, Please.
Thanks for the flowers.
I have to get back to work.

Please, Laylem. Tell me what you know'
Dunno. It was sudden.
Dsd she give a reason?
She quit yesterday?
She was serious about you.
Clatter
Tyler ...
..if you're really serious about her...
..you should be able to figure out what she's thinking.
And you gave up? For a good-looking guy, you don't know much about women.
...But she turned me down.

Dsd you tell Tyler the truth?
I can cover the rest with my savings.
I thought you hadn't saved up enough yet!
You're quitting today?
Why? You like hum, don't you?
Layleen...
..forget about him, would you?
It doesn't matter any more.
Amber.
Thanks for everything.
Layleen,

I thought I could relax once I got my old life back
I miss Tyler.
But
Sigh.

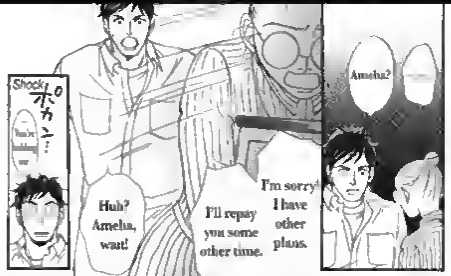
Um... But.
The folly of youth, after all.
Well... I guess she doesn't want much to do with me.
Hey, Amelia.
Why don't you have dinner with me tonight?
It's the highest praise a 30-year-old guy can get.
That's nice of her



Shock!
Amelia?
Huh? Amelia, wait!
I'll repay you some other time.
I'm sorry! I have other plans.

Rustle
Damn it...

She's not like that.
Must be a real doozy if she can turn you down, boss.
Then I guess there's some other reason.
I thought I had a shot, but she turned me down.
Shut up and get back to work.
Hey, boss. . Upset over a girl? That's rare.
Chuckle
Must be a real head case

Sway~ Sway
You're kidding
But I'm Amelia now!
I'd like to get to know you better.
What do you say?
What?
You wanted to repay me, right?

Well, Amelia.
You said you wanted to go to Savannah, but why?

If I tell her what we did and be back on time ..
I hope your aunt didn't give you a hard time.
Sorry to be on assistant, Amelia.
It's all right.
I knew it! You should wear pink all the time!
Amelia! You look wonderful!

Not strange, but.
It makes sense
Is that strange?
I didn't imagine you wanting a car.
Sir?
I wanted a new car because I thought it would set me free.
This must be the reason for her other job
Tyler?
I'm glad I was able to help with something so important to you.
I wanted to change my life.

Never
Uh Okay?
Leave the rest to us.
So stop worrying about the past.
You have to eat properly and get some rest.
...I understand.
And that money covered all of the car's cost?
...So...
You were working as a waitress at a bar to earn the money to buy your car
And the rumors of that double life are spreading all over town.
I believe you.
No. . I didn't have enough, so I added some from my savings.
We know what kind of person you are very well
Amelia.

And Joel at the market touched her behind.
The butcher says all sorts of rude things to her.
...So Amelia is being haunted by these completely false rumors.
The poor thing...
Rosie
Oh, thank you. You're such a nice boy, Tyler.
I'll take you home and get that old car towed.
I understand. Leave the rest to me.

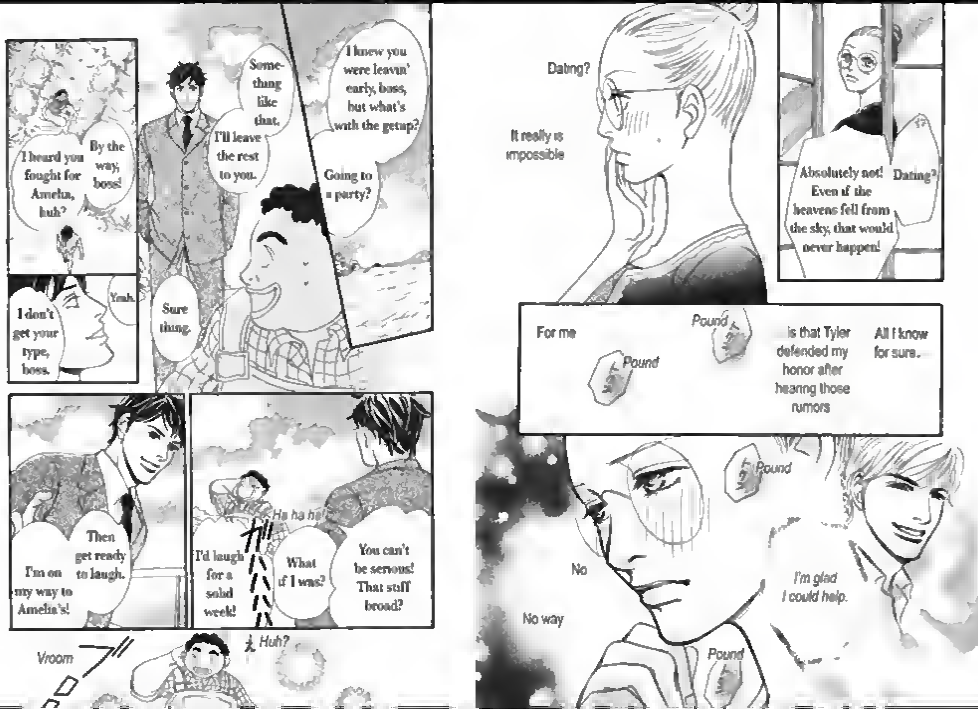
Why would he do all that?
Hee Hee Hee
And Joel at the market met himself with nothing but a look from Tyler!
He took that big guy down with one punch!
"We're going to see who can get the spinster into bed first."
Pow!
Let's go pack leaves for tea!
Why not? This practically means they're ♡ dating.
I didn't want Tyler involved!
How did this happen, Rosie?
You've been gone for hours, Rose!
Pant Pant
Tyler did it!
Did you hear?
U-um... Auntie Rosie?
What about Tyler?
Noisy old bat
Charlie
"You went in, Tyler? We have a bet going.
"You've been saying things about Amelia Anne?"
Tyler heard the rumor about Amelia and set them straight!
The butcher and Joel at the market!
Tyler confronted them!



I heard you fought for Amelia, huh?
By the way, boss!
I don't get your type, boss.
Yeah.
Sure thing.
I'll leave the rest to you.
Something like that.
I knew you were leavin' early, boss, but what's with the getup?
Going to a party?
I'm on my way to Amelia's!
Then get ready to laugh.
I'd laugh for a solid week!
Ha ha ha!
What if I was?

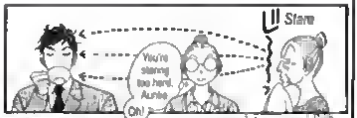
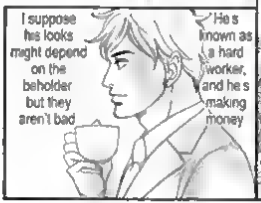
Hello Um.
Amelia.



He might not be the worst person to let Amelia get close to

...but he's still a man...



They've shown me so much love.
They're my only relatives and the only ones who understand me.
My aunties.
My treasure..
What's your treasure, Amchu?
...I want to make it even more beautiful.
My father only wanted to keep expanding, but me...
It's my treasure.
. I can't believe you look after so much land by yourself

I swore that I'll always protect them.
That's why I'll never leave them, no matter what.
Amelia,
Are you sure?
...No.
Isn't there anything else that you want?
Even if there was, it wouldn't be as important.
Protecting is worth more to me than desire.

You really wouldn't have any regrets living like that?
What about your own life?
And?
Now...

But when I was running all by myself, I was so scared. Alone.
I was calling out for you in my heart.
When you showed up
...I felt so relieved.
...Amelia.
I can't tell her... not to be ashamed of that feeling
Thank you, Tyler.
Thank you for coming.

Leave the rest to me.
Why don't you take a bath?
I'll patch up the downstairs window.
Zzz
What?
I came on my own.
I didn't mean to get you involved.
I'm sorry.
I'll contact someone to fix the window tomorrow.
We'll have to do something about that tree in the road, too.
Whistle
Flutter
Flutter
Flutter
Tyler..
I was so sure that I could do everything to support this family myself.

Just rest easy
Then ...
Tyler.
Don't go.
Just for now
I want to feel him
Stay here...
Please.
You did a great job.
All by yourself.
I respect you.
With all my heart.

Just for now
I'll give in to my desire
The storm
will wash it all away
Tyler
Rosie is in the next room.
Stay quiet
You, too..

Tyler! We're ready to move it.
He's looked over the window and everything else.
Okay, Danny. Thanks!
Good morning, Ameha!
This is Scott from the insurance company.
Oh, sorry! I wanted to let you sleep, so I asked Rose for permission.
You still have to sign a few things, of course.
Why, Tyler?
...I don't know why not.
They won't need me anymore
I don't want to rely on you anymore!
Rabble Rabble
Rrrr
Bang Bang
Rrrr
Bang Bang
Bang Bang
Hey!
Hey, bring that over!
Tyler took care of the supplies, insurance and workers!
Did you see? He's such a help.
Good morning, Ameha.
Auntie!
What's going on...?
Tyler did all this...?

Auntie Rosie.
What happened?
Amelia!
Tyler was acting strange. He left looking angry!
I'm the same as Amber ?
Did you say something to him?
How could you, Amelia? After all he's done for us...
Auntie Rosie. .
I'm responsible for this family!
Auntie Rosie! That's my business!
Don't tell me how to handle him.
Slap
Amelia!

You aren't going to say it was a mistake made in the heat of the moment, are you?
That was ...
Come on!
Am I wrong?
I think that what I saw last night were your real feelings.
..You and Amber are the same.
...I wish you'd just tell me!
If you're going to push me away in the end...

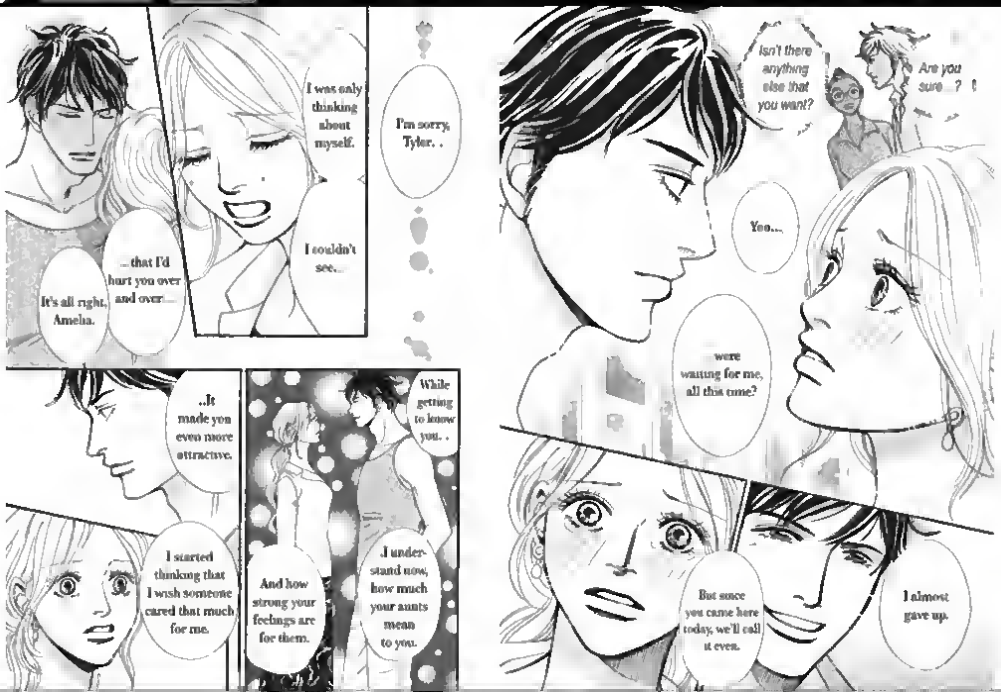
What about you, Amelia...?
So be honest with yourself
Don't forget.
Your happiness is our happiness, too.
Honest...
Auntie Rosie..
I'll tell Tyler everything

When did you become such a sad girl...?
Oh, Amelia ...
There's nothing as sad as a person who can't come close to love.
You have to accept love...
...from others, and for yourself, or you'll never be happy.
I think that you know it's true.
Tyler really loves you,

...Who's that?
A woman?
And...
Boss! Let's call it a day!
Yeah!
It's gonna be a good harvest this year, boss!
Thanks to you guys.
Hey, look. The sky's turning amber
Hah! Better give us a good share! ♫
See you guys later.
...she's...
gorgeous!
Wha...? That's the boss's girl?
You gotta be kidding!

I want to tell you every-thing.
What do you want?
So?
Which are you right now?
First, answer me something.
I...
...never told you the truth.
Wait.
Thunk
I...
...had to tell you something.
...It's been a while...
Tyler.
..
Sorry.
I have to take a shower. Come up to the house.

Amelia
..
I'm so sorry.
Don't apologize.
Back then
I want you to trust me
and then
You really wouldn't have any regrets living like that?
I knew, but I didn't say anything. I'm sorry.
..I wanted you to admit it.
Or Amelia?
Amber?
Amelia!
Wait a moment.
L...

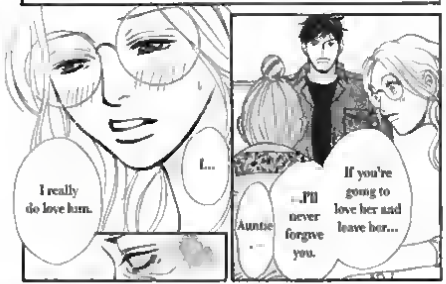


I was only thinking about myself.
I couldn't see...
...that I'd hurt you over and over...
It's all right, Ameha.
I'm sorry, Tyler. .
..It made you even more attractive.
I started thinking that I wish someone cared that much for me.
While getting to know you. .
And how strong your feelings are for them.
..I understand now, how much your aunts mean to you.
Isn't there anything else that you want?
Are you sure ..?
Yes...
were waiting for me, all this time?
But since you came here today, we'll call it even.
I almost gave up.

All right?
We'll think of what to do next together.
I love you.
. . Tyler.
I love you, Amelia.
Now, and forever.
. . .That's how I really feel.

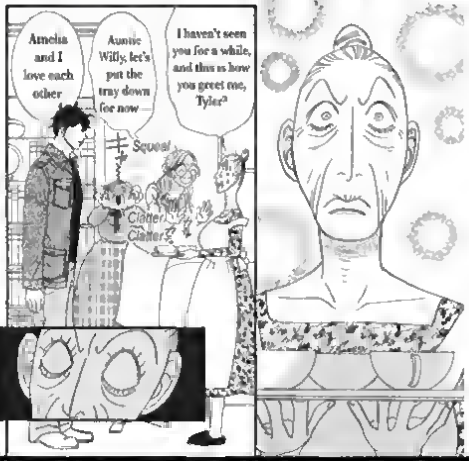
I knew that you were trying to steal Amelia away from us, Tyler.
Are you all right, Auntie?
Sigh

this girl is so pure.
Tyler...



I really do love him.
I...
Auntie...
...I'll never forgive you.
If you're going to love her and leave her...

I want to marry Amelia.



Amelia and I love each other
Auntie Willy, let's put the tray down for now
I haven't seen you for a while, and this is how you greet me, Tyler?
Squeal
Clatter!
Clatter!

I thank that you have the wrong idea.
Because that would mean stealing you away from her, as well.
Amelia told me that you two are her treasures.
I am not trying to steal Amelia away from you.
If you're opposed to this, she will listen to you, Willhelmina.
She would decide to live her life alone.
Yes.
No, she wouldn't...
Then even older than that!
We're already really old Amelia!
I'm always going to be with you until you're reeeeally old!
Auntie Willy! Auntie Rose!

I'll go.
Wait, Amelia.
Auntie!
Slam
Then you two do as you like.
Wait, Auntie!
We're finished here.
Leave it to me.
Ms. Willhelmina.
Click

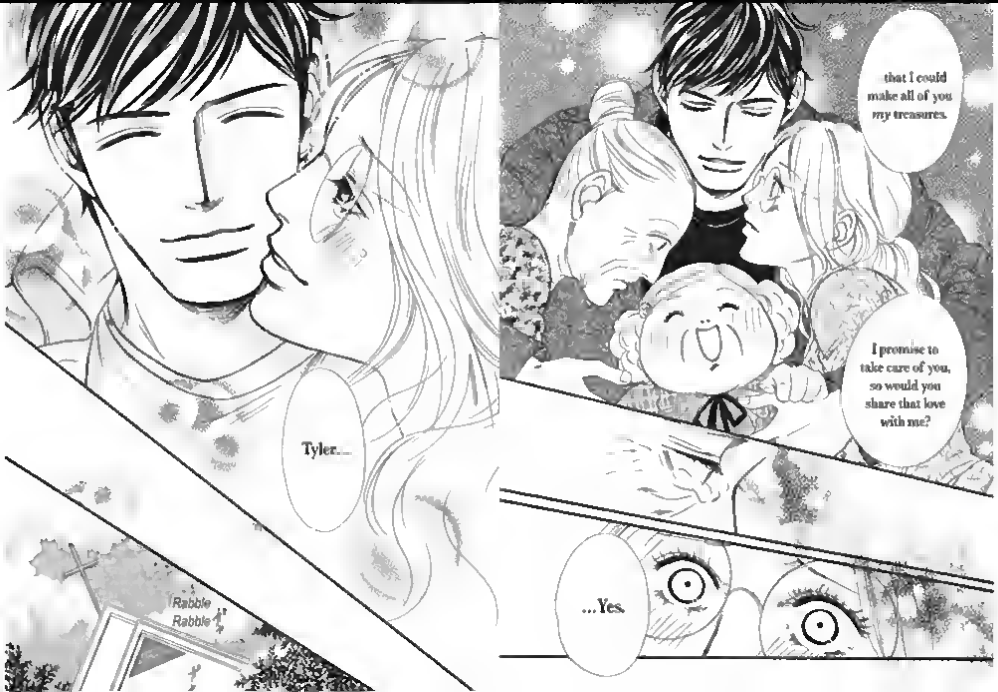
Slam
Take her away from here.
..Tyler!
If anyone can change her, you can.
Ms...
Please, Auntie...
Don't say something so horrible as to have me taken away...
Ameha...
No... Don't decide this for me.
I don't want to change, or be changed, either.

I'll always be with you!
...I know.
I know that girl has always tried so hard not to disappoint us!
She always hides what she's really thinking...
...and the way she hid her job from us.
I know...
...it was because she told herself she had to.

I knew that Tyler would understand!
Hug
Rosie!
I must be very greedy.
At first, I only wanted Amelia...
...but then I met two nuns who cook wonderful food...
...and create a loving household.
At some point. .
. I started to hope. .

That's right, Amelia.
No one has to be a victim here.

Tyler ..
There's no way I could take her from you.
Amelia is the masterpiece you spent your life creating.
It's just the same passion you raised Amelia with.
Ms. Willy, I know you aren't being selfish.



that I could make all of you *my* treasures.
I promise to take care of you, so would you share that love with me?
...Yes.
Tyler...
Rabble Rabble

You might get to see her around 9 o'clock tonight.
Hmm?
Oh, Tyler?
Congratulations, boss!
Did you see her? She's so beautiful!
I can't believe that's Amelia Anne!
Tyler knew, right?
He must have been able to see it.
Who cares? It's a happy occasion!
That dress shows too much cleavage
Amelia! Throw me the bouquet!
No, five.
Including "Amber."
Starting today, we're a family of four
Flash
Oh boy
Something to look forward to.
